AC Line

Probiotic Build-Up Remover

For AC Drainlines

Keep AC drain pans and lines flowing freely. Dissolves build-up in lines with a probiotic noncorrosive formula. Also good for: Ice Machines, water fountains, soft drink machines.

- Does Not Emit Fumes
- Safe for Pipes, Pumps and Drain Pans

**8 fl oz
(236 ml)**

CAUTION: Keep out of reach of children. Read precautions on back.

How AC Line Works

AC Line will help clean soil build up and water deposits left behind in your drain lines. Turn off AC system and pour entire 8-ounce bottle of AC Line into drain line, pan or condensate pump inlet. After approximately 20 minutes turn system back on.

For best results use four (4) times a year. Before using AC Line, clear obstructed lines in systems that are totally blocked. This product helps prevent recurrences by coating the inside of the lines, allowing soil build up to flow easily out of the system.

Caution

1. Keep out of reach of children.
2. Use with adequate ventilation.
3. May be an eye irritant.
4. Pets and people should avoid contact with drain line cleaner.

First Aid If ingested; seek immediate medical attention. If on skin; rinse with soap and water. If in eyes; flush immediately with large amounts of water and seek immediate medical attention. **Storage:** Store in a cool, dry area

CONTAINS: Limonene, Sodium Hydroxide
